## **APPLICATION FOR USE OF DUALCALL ADDENDUM**

**This form is an addendum to the MTN SP 24-month Subscriber Contract and will become part of your contract. Make sure that the information on this addendum is correct or the request may not be processed.**

1. I wish to apply for the use of MTN Service Provider's ("MTN SP's") dual call product. A dual call product allows me to apply and use another SIM Card as a secondary SIM Card. The secondary SIM Card may have the same cellular number as my primary SIM Card but I agree that MTN SP may have to give it a different cellular number.
2. I agree to MTN SP's standard dual call policies and procedures which may be changed from time to time as set out in the policies and procedures. I can access these standard dual call policies and procedures at [www.mtnsp.co.za](http://www.mtnsp.co.za).
3. I agree to enter into a new MTN SP 24-month subscriber contract which will apply to my use of the new SIM Card as a secondary SIM Card. I also agree to complete and sign an application for such a contract, together with this application. MTN SP may either accept or reject this application and the application for a new MTN SP 24-month subscriber contract and does not have to provide me with reasons.
4. I will only use the secondary SIM Card in an 8-watt car phone only and the primary SIM Card in a 2-watt mobile phone.
5. The secondary SIM Card will be connected to my primary SIM Card that I already have with MTN SP. I agree that if my primary SIM Card is suspended, deactivated or migrated for any reason in accordance with the MTN SP Subscriber Contract, then the secondary SIM Card will automatically also be suspended, deactivated or migrated.

***This clause constitutes an assumption of risk that if your Primary SIM Card is suspended migrated or deactivated, then as a result your secondary SIM card will automatically be suspended, migrated or deactivated(as the case may be), despite the fact that a separate subscription agreement was concluded by you in respect of the secondary SIM card,***
